EXPRESSIONS

INTRODUCTION

We are the expression of our Father; The extension of His house. The culture of righteous rule, kingly character and generosity is displayed through His sons, who are led by His Spirit of wisdom and revelation - so that we are always effective and relevant in the place God has placed us.

The Spirit of God in us, instructs us in this life of godliness. The fullness of life, is a life of the Spirit that informs the soul and causes our bodies to get with the program. What a joy it is to be able to live this life to the full.

P.S. This is going to be a month of feasting on the Word. Then we will meditate (chew the cud) on the Word, until it becomes part of our life.

- Psalm 2:1-4

What is God laughing at in this Psalm? He is laughing at what His enemies are saying and planning. This event will be a comedy evening, where we'll be laughing at the lies of the enemy (following the example of our Heavenly Father). If the knowledge of the truth sets us free, then believing lies imprison us (John 8:32). Come experience a fun evening of laughter, where you'll be set free from the lies of the enemy.

Testimonies

"We as a family, experienced the passing of our beautiful, 17 year old daughter a few years ago, and in response we started a support ministry for people who went through similar journeys. Last year my wife, Rika, went to be with the Lord, and instead of being the facilitator, I became a participant who needed the care and support. I am thankful for the safe environment in which I could access the grace of God from this group." - Ps Derrick Schroeder

"We as a couple had to deal with the effects of the passing of two of our children. It was not an easy road but with God's strength and the wonderful support we received from the group we could experience healing from our pain. We are now part of the team that provide support to others."

- Thomas & Ursula Swart
